PROFESSIONAL SUMMARY

Results-driven Digital Marketing Strategist with 5+ years of combined experience spanning brand development, content strategy, social media management, and customer lifecycle marketing. Proven track record in building full marketing plans from scratch — including buyer personas, SWOT analysis, customer journey mapping, and multi-platform content campaigns — for Egyptian B2C brands across EdTech, e-commerce, and SaaS. Awarded the 1st Enterprise Loyalty Award at Concentrix (2026) for top-tier retention performance on the Boost Mobile account. Analytically trained with a science background; fluent in Arabic and English copywriting. Actively seeking a Digital Marketing, Content Strategy, or Brand Strategy role in Cairo and Greater Giza.

Digital Tools & CRM

Canva (Advanced) · Odoo CMS · Microsoft Office 365 · AI Tools (ChatGPT, Canva AI) · Wix · Customer Retention Systems · Salesforce (familiar)

PROFESSIONAL EXPERIENCE

Customer Retention Specialist & Loyalty Consultant

Concentrix — Boost Mobile Account · Cairo, Egypt

Aug 2025 – Present

- ▶ **Awarded 1st Enterprise Loyalty Award (2026)** — ranked top performer company-wide on the Boost Mobile account for churn reduction, customer retention, and lifetime value optimization.
- ▶ Prevented high-risk customer churn through structured retention conversations: analyzed customer behavior patterns, identified pain points, benchmarked competitor weaknesses, and negotiated personalized stays — converting cancellation intent into renewed loyalty at scale.
- ▶ Applied consultative selling techniques to retain customers without appearing transactional — leveraging empathy, behavioral psychology, and real-time competitor intelligence (pricing gaps, service flaws) to make staying the obvious choice.
- ▶ Maintained high first-contact resolution rates across voice, chat, and email channels — reducing re-contact costs and contributing to improved customer satisfaction scores and reduced escalation rates.
- ▶ Identified and documented recurring customer friction points; contributed structured feedback that optimized FAQ content and internal support workflows — reflecting the same insight-to-content feedback loop used in CRM-driven marketing.
- ▶ Consistently delivered on-brand communication across all channels, reinforcing brand voice discipline applicable directly to social media management and content strategy roles.

Customer Service & E-commerce Experience Specialist

Tabby Technologies Egypt — Fintech / BNPL · Cairo, Egypt (The Greek Campus)

Apr 2025 – Aug 2025

- ▶ Supported customers through flexible BNPL payment journeys — developing deep, data-backed understanding of e-commerce consumer behavior and purchase decision psychology.
- ▶ Identified and mapped recurring UX friction points in the customer journey, contributing insights that improved FAQ self-service content — directly reducing repeat contact rates.
- ▶ Applied landing page optimization and conversion-focused copywriting thinking to every customer interaction — translating e-commerce pain points into actionable content recommendations.

Digital Marketer & Brand Strategist

New Direction English Academy · Egypt (Remote)

Sep 2020 – May 2022

- ▶ **Built the brand from zero** — led full identity creation including logo direction, tone of voice, color palette, and market positioning within the competitive Egyptian EdTech landscape.
- ▶ Developed and executed monthly content campaigns across Facebook and Instagram — managing editorial calendars, scheduling, community engagement, and bilingual Arabic/English copywriting.
- ▶ Produced a comprehensive marketing strategy package: dual SWOT analysis, buyer persona research, customer journey content map, and a structured business proposal — demonstrating end-to-end strategic thinking.
- ▶ Conducted competitor analysis across Egyptian English-learning academies to inform pricing strategy and content differentiation — resulting in clearer brand positioning and more targeted messaging.
- ▶ Tracked campaign KPIs and continuously refined content strategy based on engagement, reach, and community response data — closing the feedback loop between content and performance.

Website Editor & Digital Content Coordinator

Fine Stone — One Stop UnionAire Group · Egypt

Jul 2019 – Feb 2020

- ▶ Edited and optimized product landing pages on Odoo CMS — improving content clarity, page structure, and UX to support organic discoverability and on-site conversion.
- ▶ Wrote and maintained product descriptions aligned with brand voice, ensuring consistent tone across all product categories.
- ▶ Tracked SEO performance metrics and implemented on-page adjustments — commended by the E-commerce Manager for creative consistency and content quality.

MARKETING PORTFOLIO — FEATURED PROJECTS
